Controller of Examination

Step by Step Guide for Online Proctored Exam

Proctoring configured on LMS:

Step1. Exam is compatible with any device (mobile or laptop) using chrome or any browser version using link: <https://lms.galgotiasuniversity.edu.in>

Step2. Exam will not start until an oath statement to be ticked against any malpractice cheating/plagrisim happens then exam will be liable to be cancelled.

Step3. Exam will only be active in one device. Other device will not work at the time of exam. That means multi concurrent session and devices are prohibited.

Step4. At the time of camera picture verification, student have to show his/ her Id card or admit card with photograph. A photo will be captured at the same time for later verification.

Step5. Student can see a live camera feeding and capturing is going on and system will capture a random picture.

Step6. Student should not close the exam browser otherwise his/her exam will stop automatically.
