6. For subjective type questions student may type the answer on LMS or else write the answers on template provide by the University. Students have to write & upload the attachment, if any in this time duration only.
7. Students are required to upload the answers in a template provided by the University. However students may directly type / write the answers in LMS.
8. **Students who will not be able to take the printout of template may prepare replica of University template on A4 size paper and write the answer.**
9. Students are advised to make all the arrangements and ensure uninterrupted Power Supply and Internet. No grievances pertaining to malfunction of infrastructure at students end shall be entertained by University. However, student can submit the grievance within 10 minutes of completion of examination of particular paper.
10. Students are required to register the grievance, on the Google Form shared by University. Students are also required to upload the screen shot of the problem encountered on Google Form to substantiate the claim. Any grievance registered through any other mode or addressed to anybody else shall not be entertained. The link for google form is as below :
<https://forms.gle/gAkNVYoXeX39XpPW8>
11. The committee shall take the decision on the genuineness & merit of grievance and the decision will be communicated to the student. The decision taken by committee shall be final & binding to all.

Controller of Examinations

FAQ for Proctored exams

Q1 How to open and check camera settings in browser, if camera is not working and unable to select camera in Laptop?

Solution:

Step1. Click on browser settings

Step2. Search for camera and click on site settings

Step3. Click on camera

Step4. Select integrated webcam if using inbuilt camera or if any external camera attached select that.

Step5. Click on LMS exam and refresh. Camera will start working

The screenshot shows a web browser window displaying the Galgotias University LMS interface. The page title is "Quiz1 (copy) (copy)". The main content area contains the following text:

Please read the following message

I understand that it is important that the attempt I am about to make is all my own work. I understand what constitutes plagiarism or cheating, and I will not undertake such activities.

I have read and agree to the above statement.

Allow your webcam to continue

This exam requires webcam validation process. You must allow the webcam AND check the remember this webcam option checkbox. Your webcam will take some random pictures during the quiz (Please allow your web browser to access your camera).

I agree with the validation process.

The screenshot then shows the next step in the process. The text is repeated:

This exam requires webcam validation process. You must allow the webcam AND check the remember this webcam option checkbox. Your webcam will take some random pictures during the quiz (Please allow your web browser to access your camera).

I agree with the validation process.

Timed quiz

The quiz has a time limit of 30 mins. Time will count down from the moment you start your attempt and you must submit before it expires. Are you sure that you wish to start now?

Q2 How to attach handwritten answer without using mobile phone transfer within laptop/desktop?

Solution:

Step6. Click on camera inbuilt within text editor.

The screenshot shows a web browser window with the URL `lms.galgotiasuniversity.edu.in/mod/quiz/attempt.php?attempt=6110795&cmid=474128`. The text editor toolbar includes icons for undo, redo, bold, italic, link, unlink, insert image, insert video, and source code. A red box highlights the video recording icon, with an arrow pointing to the text "Figure 5 Video recording for answer". Another red box highlights the source code icon, with an arrow pointing to the text "Figure 1 If wants to delete all the contents or selected contents from editor". A third red box highlights the link icon, with an arrow pointing to the text "Figure 4 Add google drive link if allowed". A fourth red box highlights the insert image icon, with an arrow pointing to the text "Figure 3 Insert images". A fifth red box highlights the undo icon, with an arrow pointing to the text "Figure 2 Click on the tab for more option". A webcam window is visible on the right side of the editor.

Figure 2 Click on the tab for more option

Figure 3 Insert images

Figure 4 Add google drive link if allowed

Figure 5 Video recording for answer

Figure 1 If wants to delete all the contents or selected contents from editor

Step7. Click on start recording your answers and diagram.

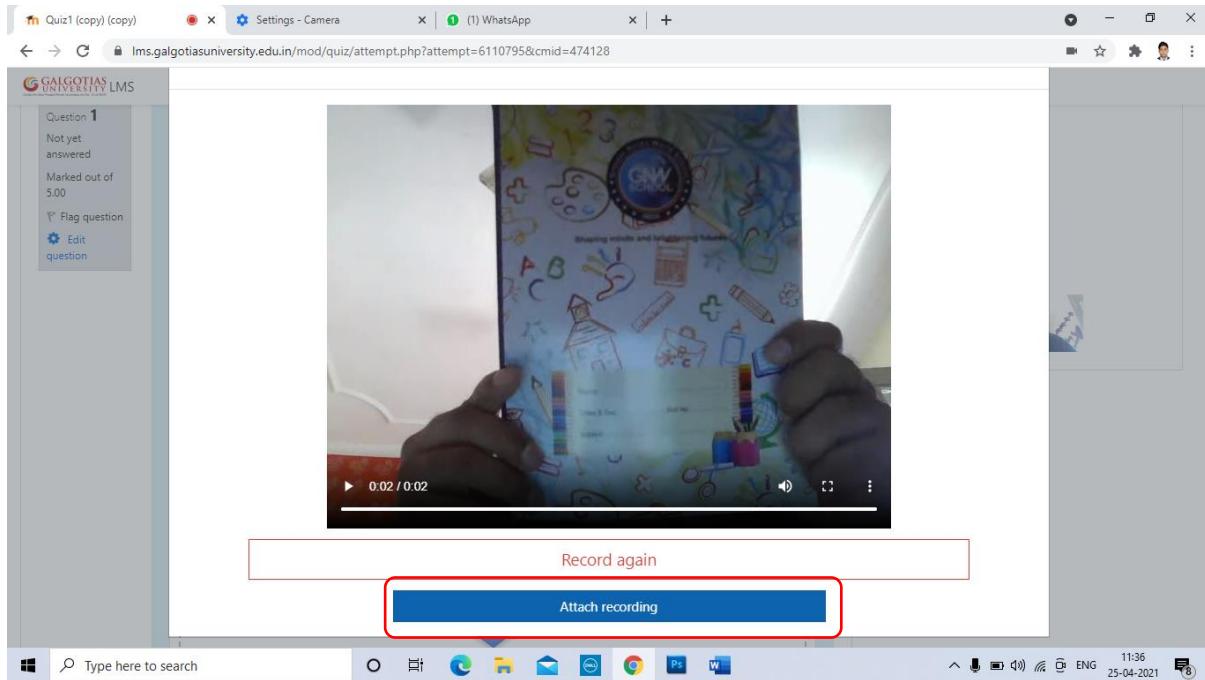

The screenshot shows the same LMS text editor interface. A "Record video" dialog box is open in the center, featuring a red "Start recording" button. The text editor toolbar and webcam window are visible in the background.

Record video

Start recording

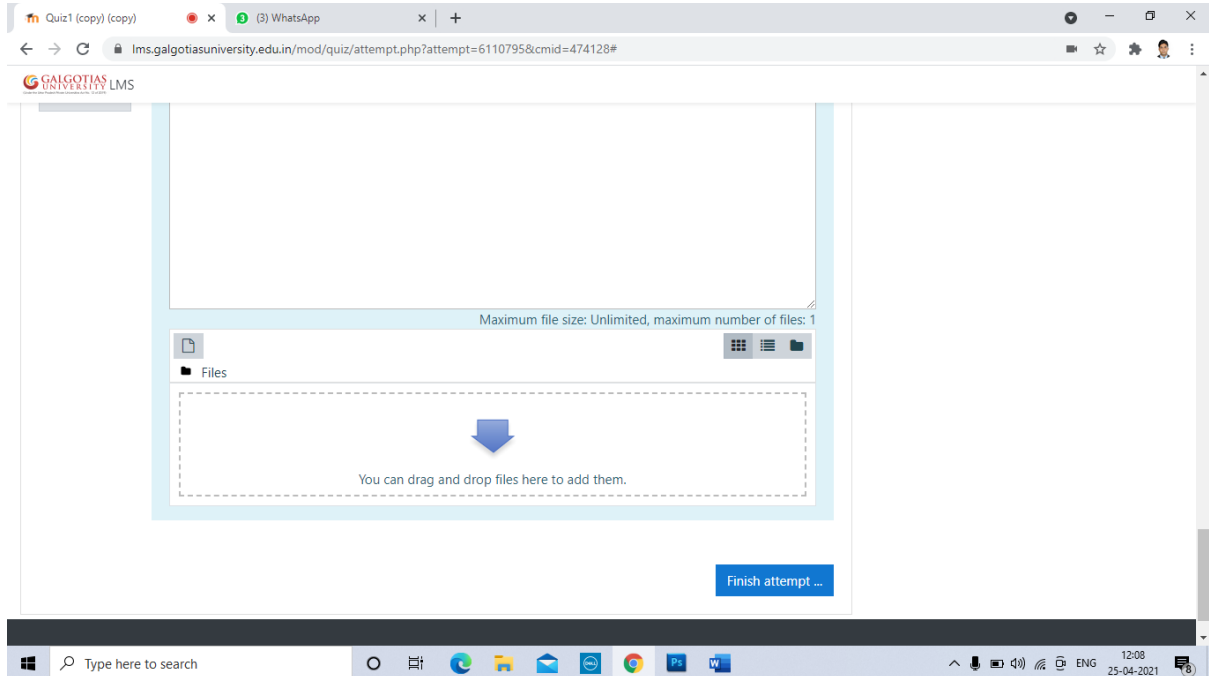

Step8. Every single Recording will be till 3-5 sec

Step9. You can add more small videos answer one after other.

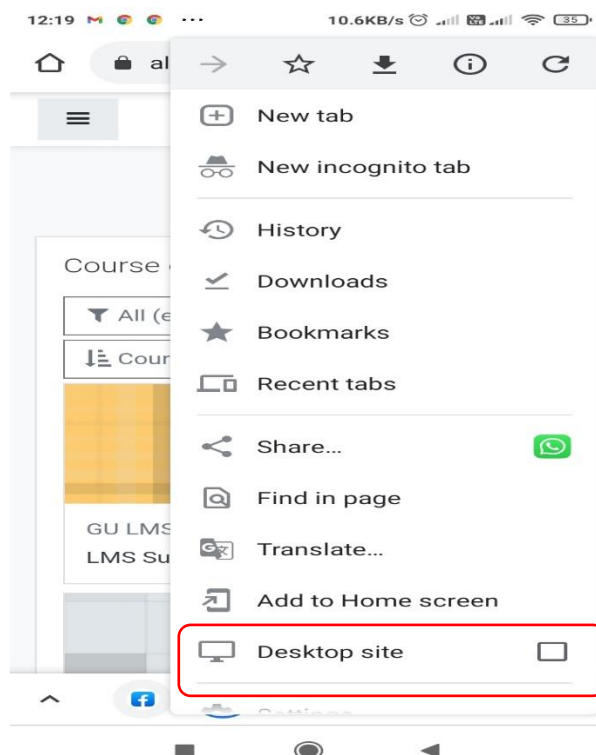

Step10. If you want to upload any answer in the form of image and pdf you can also use file upload area.

Q3 How to open exam in mobile browser?

Solution:

1. Use any mobile browser like chrome or other mobile browser and change it to desktop site.

2. Now select the course in which exam is configured

3. Click on allow camera

4. Select the tick box for starting the attempt

Figure 6 Minimize button to minimize the browser

Q4 How student can upload answer using mobile browser and afraid of closing window.

Solution:

- 1) Student click on below tab for uploading pdf/ images etc

Figure 7 Click to upload answer

- 2) Students can directly take picture of their answers and upload directly without converting to pdf in image format. Find attached image for your reference.

Q5 How to enable camera in smart phone for examination using LMS?

Solution:

- I. Click on settings

II. Click on Apps. Some phone has Application settings

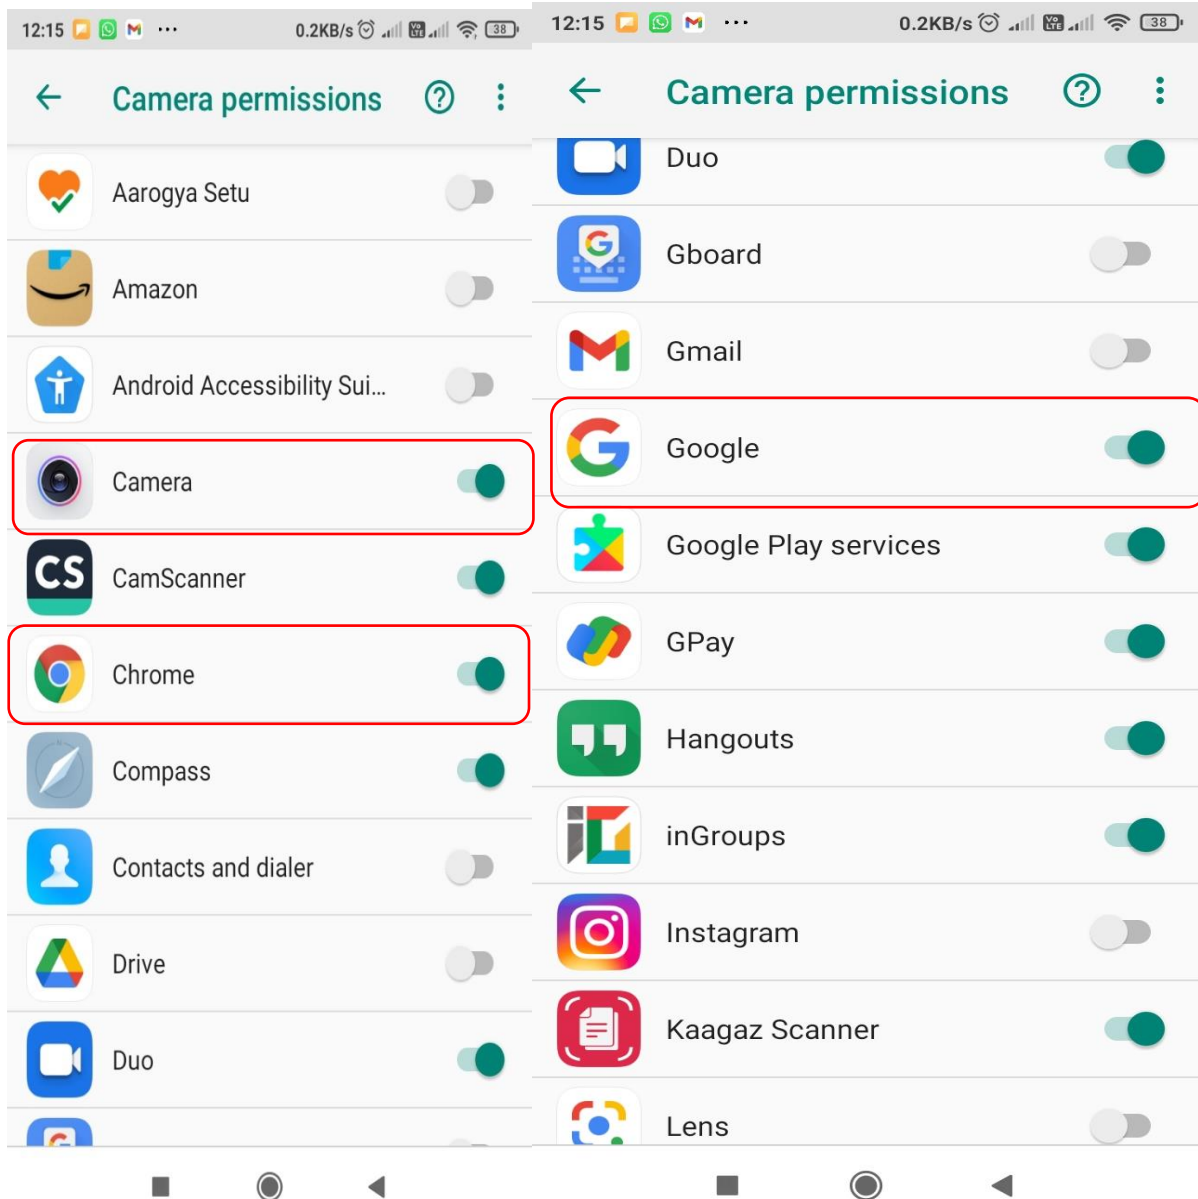

III. Click on Permissions.

IV. Click on Camera

V. Click camera permission and google chrome or any browser to allow

Q6 How to resolve scrolling issue. While using exam using mobile browser?

Solution: Use Desktop site in mobile browser using corner three dots button to use Galgotias LMS.

Q7 Can we change and use browser in many devices?

Answer:

No, you cannot use multiple devices and browser for attempting exam. If you do so and close the browser then exam will get over and it will show following restrictions.

Step by Step Guide for students to attempt ETE
