YOUTH PARLIAMENT 2022

INVITATION BROCHURE

**26
NOV**

MISSION

Youth parliament is a platform provided to the students where they are exposed to a mock parliamentary debate. The intention is to develop a community of youth who have an understanding of the democratic and parliamentary system of debates. This is done with the intention to imbibe respect and tolerance for the views of others. To apprise students with the socio-legal and political problems which plague the society and find a solution to such issues through a civilized parliamentary debating mechanism.

Our Goals

ORATORY SKILLS

To offer students a voice so they may articulate and channel their thoughts in a parliamentary fashion while keeping democratic discussion techniques

DIPLOMACY

Youth Parliaments Teaches Students how to negotiate real-world conflicts through practical examples rather than academic Deliberation

RESEARCH

Youth Parliaments give students the opportunity to learn about the legislative process, international and Indian politics, and even challenging geopolitical or socioeconomic issues affecting our nation. They also encourage students to think creatively.
