

FROM THE DESK OF VICE-CHANCELLOR

10/01/2024

Dear Students!

We are striving hard to provide many opportunities/avenues that are open for you all irrespective of your discipline of study. While doing so we are continually modifying the policies and processes that are benevolent for your career growth.

I am herewith attaching the flyer showing internship opportunities from the Government of India. “Internships enhance your skills through the application of knowledge”. Benefits are many and skills remain with you for your lifetime. I hope you will make good use of the opportunity.

Even if it does not fall into your program, if you are interested you may pursue the same, as knowledge acquired doesn't go to waste.

Wishing you a Happy New Year and Happy Learning!

Prof. K M Babu
Vice-Chancellor
